## Can You See Yourself Earning \$2,000.00 to \$5,000.00 Or More A Week, Every Week, for Life? Starting next week!

Dear New Friend and Fellow Entrepreneur,

Does it 'Sound too good to be true?' Skepticism is understandable, in fact, normal. However, I am going to ask something of you. *Simply be open-minded and investigate!* I am your Information Tour Guide! At no point will I pressure or convince you to work with us. If I had to do that I would not want you on our Team! **Prove to yourself** that Coastal Vacations is a very profitable and totally ethical business that frankly is just too good to pass up!

### *What Can This Business Do For You?*

This business makes it possible for you to solve your financial problems and provide you with the time freedom to pursue worthwhile life goals! Here are a number of unique features that help you in ways where most home-based business plans fail:

1. You are rewarded for you own efforts and performance (\$1,000.00 to \$9,705.00 per sale). Once you do just two training sales, you won't share a dime of your profits ever with anyone. This isn't like multi-level marketing in which you will indefinitely share your profits with the person who sponsored you, as well as the person who sponsored your sponsor, and so on and so on. With Coastal everyone has equal opportunity for success.
2. You earn money very quickly! Your very first month! Your first week! Your first day! Go ahead! Totally unlike MLM where you can work for months and sometimes years to get out of the red! In MLM, by the time you have recruited 50 people your profits may be \$2 - 300 per week, however, with Coastal when you have 50 Level I package sales you will have **\$50,000.00** to show for it! With 50 Level II sales - **\$150,000.00!** With 50 Level III sales - **\$350,000.00!** Even traditional businesses require huge initial outlays and usually take a long time to build a customer base and bring in enough revenue to offset startup costs. This remarkable business provides immediate cash return!
3. You are properly trained with an easily duplicated system right from the beginning. I will personally train you. Additionally you are supplied with training tools and support showing you step-by-step, how to do the business. There are also training conference calls provided four nights every week that you can tap into.
4. You are provided access to the same automated turnkey system and tools we use so you won't have to "sell"! You merely point people to your personal 800-voicemail number, to the 24 hr. message phone numbers on page 13, and to your personal websites. Supply this Profile (personalized of course) to them, and finally introduce them to the Live Conference Calls where a member of the Board of Directors will answer their questions personally, yes exactly the same steps we've taken with you. Let the turnkey system do the "selling" for you.
5. You are able to use your very own **Automated Marketing System** (<http://www.officialcoastaltools.com/tools.aspx>) to consistently supply you with fresh leads, and follow up on those leads for you. Talk to people who respond to our ads! People who are seeking a home based business! People who have been interviewed and pre-qualified! Your business will be on **AUTO PILOT!** No "cold calling"!

6. Finally, the *ingenious* plan for trainer compensation absolutely explodes your income the longer you work the business! Your sponsor works with you training you for your first two sales and earns \$1,000.00 from each sale (*\$3,000.00 each for Level II and \$7,000.00 each for Level III*). Once you are trained you train each person you sponsor and earn \$1,000.00/\$3,000.00/\$7,000.00 from each of his or her first two sales. Then you train these two and you earn \$1,000.00/\$3,000.00/\$7,000.00 each from their first two sales. They provide four more people for you to earn \$1,000.00/\$3,000.00/\$7,000.00 from their first 2 clients, who bring you eight more; the eight bring you sixteen; the sixteen bring you thirty-two, and on it goes. Soon you spend all your time training others, earning \$1,000.00/\$3,000.00/\$7,000.00 from each one you train. The compounding effect is incredible! *This brilliant plan truly rewards you for your efforts!*

### ***There Are Many Home Based Businesses Out There, So Why Coastal?***

Coastal Vacations is different. ***We are the only ones marketing travel packages with this much value at anything close to the price we offer and still giving \$1,000.00 to \$9,705.00 commissions! Our company has hardly scratched the surface of the 5+ trillion dollar travel industry that is growing at the rate of 23% a year!***

With Coastal Vacations, credibility will never be an issue. Neither will stability, since every company chosen to be in our package has been in business for at least twelve years (such as Carnival, Royal Caribbean, Alamo, Quest, Access International, Walt Disney World, Kodak). If any of the companies in our package were to fail in their performance our Board of Directors would immediately replace them. Additionally, a 25-year-old company provides the vacation packages.

Perhaps you're confused about what to do and where to turn to find a legitimate home business that really works; perhaps you have even lost money in the past. Admittedly, I don't know exactly what you're looking for, but I do know **what you're going to need if you are to succeed with a home-based business.**

- You need **a great product** with universal acceptance, huge demand, and incredible value. Coastal absolutely has it! Human nature alone shows us that people buy what they want versus what they need. People want this product! It makes them happy! If for you, "seeing is believing" then thoroughly study the product on my website.
- You need **the right pay plan**. You can't beat Coastal's pay plan! \$1,000.00/\$3,000.00/\$7,000.00 per sale with explosive potential growth due to the generous trainer pay plan!
- You need **to be able to earn money quickly**. With Coastal you have the potential to earn \$1,000.00 - \$9,705.00 or more your first week. **We have an Automated Marketing System that works while you sleep!** Where else can you find such an immediate return on your investment of time and money?
- You need **the right training, coaching, & mentoring** in the early stages until you have internalized everything you need to know. This Coastal provides you. My *Team* and I will personally assist you!
- You need **to get quickly up to speed**, and Coastal has everything in place for you to be able to do that.

As you have noticed we have a **proven, automated system for you to follow!** Think about the people who spend hundreds of thousands of dollars, even millions, for a McDonalds franchise. Why? Not because McDonalds has better hamburgers, but because McDonalds has a duplicatable system that works. A McDonalds franchise is the next best thing to a guaranteed money machine! But to earn \$2,000 - \$5,000 a week you don't need a McDonald's franchise! You don't need to go to college for years! You don't need to re-mortgage the house! Coastal Vacations can provide you with that income because Coastal has **a system that works**. Coastal can be your money machine, and for a relatively small investment!

I am not going to tell you that "you're in the right place at the right time" with this business, because that isn't the case, this is even better. The market for our product is absolutely huge and totally untapped, and it will be for a very long time. As I mentioned it is a \$5+ Trillion industry and growing!

## ***Take Action To Change Your Life!***

You obviously want to make a change in your life and you want to start making money right now, not next year! That is why we met. Regardless of your situation, I am here to help guide and train you. We need to talk again so that I can further your knowledge of this outstanding opportunity, and especially to make sure you understand the power of the compensation plan. ***So let me show you how you can start earning money right now!***

Understandably you may still have some concerns as to whether you can really succeed in this business. I've been there, too, so I understand that fear of the unknown is what keeps people from doing "entrepreneurial" things. However, let me reassure you, that with this business very little is left to chance. I promise you that you will be taking advantage of systems that are time-tested and proven. You also have access to training by incredible leaders in this field.

However, let's face it. To achieve success in anything, you must put forth some effort. First you need to invest some valuable time to investigate this opportunity. Do that! Take advantage of all the sources of information I am providing you. See for yourself that this business works! Find out for yourself that hundreds of ordinary people are indeed making exceptional income from it. You will not be pressured, pushed, or convinced. My goal is that you get all the information you need so that you can make an informed and educated decision.

## **Following this letter is a detailed description of our program, and our products.**

You will find a detailed description of most of the contents of all three of our packages; they are the Level I package, the Level II package and the Level III package. The Level I package offered by Coastal Vacations is valued at over \$15,000.00, yet is priced at approximately the cost of just one cruise for two persons. The product itself may or may not be something that you could enjoy entirely by yourself, but I guarantee you **will** enjoy the life of ease it could produce for you! Recreational facilities invariably have vacancies that could be filled if you and I just knew about them and could make the connections. This company can make that happen. ***The Level I package*** sells for \$1295 and you earn a cool \$1,000.00 profit on each sale! ***The Level II package*** sells for \$3500 and you earn a cool \$3,000.00 profit on each sale! ***The Level III package*** sells for \$7500 and you earn a cool \$7,000.00 profit on each sale! Just show the info and it pretty much sells itself, as we mentioned, people **want this product!**

You owe it to yourself to look at this opportunity with open eyes and with no preconceived misconceptions. It is a great business with serious potential, and is a lot of fun to work! If after investigating the opportunity you can't see its potential, than maybe this is not for you.

On the other hand if you **do** see the potential in this business; if you **do** see that this opportunity **is** real; if you **do** see this business changing your life, then you **must take decisive action to make it happen!** Take the next step! ***Let me help get you started on the way to a truly profitable new business!***

I am looking forward to discussing this business in greater detail with you soon, and whatever you decide to do, I wish you ultimate success with all of your endeavors.

Yours truly,

PS - I encourage you to call the recorded messages listed under the "**FOR MORE INFORMATION**" section on page 13, and to visit my Website. There is also an, '**Invitation Only**', live conference call Mondays thru Thursdays where you will be able to listen to one of our Board of Director's explain the business and answer questions, including yours if you wish. On the live call **you will also receive a free vacation with 10 destinations to choose from just for looking at our opportunity!** **Call me for that number!**

## VACATION QUESTIONS & ANSWERS

### Q: Are these vacations genuine? How can they do this?

**A: Absolutely genuine.** Resorts as well as marketing companies have been selling similar vacation packages for **25 years**, generally selling them for much higher prices. Nearly all hotels, resorts, cruise lines, etc. have vacancies on an ongoing basis. They find that participating in Vacation Package programs is a viable form of “advertising” to bring in guests—who obviously then spend money in their bars, restaurants, shops, etc. Then they return home to tell their friends about the marvelous time they had! Complimentary trips have long been a mainstay for travel agents. Today, many savvy travelers use promotional packages such as this for **all** their vacations, saving thousands each year. After all, who visits an empty hotel or resort?

### Q: Are there expiration dates on the various offers?

**A:** The first two free vacation certificates that come with your package are good for one year. All the other free vacations are good for one year **after** the date you mail in the voucher to activate that particular vacation. The travel discount membership cards that come with your Level 1 package can be renewed as a group for only \$89.95 per year (no renewal required for Levels 2 & 3). Many regular cardholders who deal directly with the companies we represent pay from \$50 to \$139 a year to renew a single card!

### Q: Are these associated with a Timeshare Presentation?

**A: NO!** This is not a timeshare program! This program is Usually Sold Exclusively by Resort Properties for \$2,500 and more to timeshare presentation participants who decide not to buy a timeshare, but still want the benefits of timeshare ownership. This is even better!

### Q: Are the individual vacations transferable?

**A: YES!!** Most families simply could not take advantage of all of these great vacations, so why not pick the ones you want the most and then share the rest with family and friends. The membership cards (issued in your name) are not transferable.

### Q: How far in advance must we make our reservations?

**A:** Plan ahead as you would for any major vacation choosing several preferred time periods. Through your club membership you will also have access to “shorter notice” trips at huge discounts for cruises, vacations and condos worldwide that are not sold out.

### Q: Are there restrictions on when we can travel?

**A:** Generally speaking, the package vacations will not be available during the heaviest peak season or major holidays. Most providers will ask you to submit three choices as to when you’d like to travel—and nearly always accommodate. With so many available destinations, you should be able to travel almost anytime you wish.

### Q: With such great bargains, can I resell some of these individual vacations?

**A:** No. These are promotional vacations and not to be individually resold. But you **can give away** some of the trips to others! You might even “donate” a vacation to a non-profit organization or school raffle! If you own a business, reward your best employees! Or use some of the vacations as incentives to increase sales of big-ticket items.

## BUSINESS QUESTIONS & ANSWERS

### Q: Why is this not MLM?

**A:** There are no monthly purchases required. Normally with MLM, a large downline or Team is required to make a sizable income, decreasing on each lower level, whereas our bonuses remain the same on each level

### Q: Do I have to approach my family?

**A:** No. However, most clients get so enthused about this program and the package that they feel compelled to share it with family members. There are many others eager to be contacted by using our various sources.

### Q: Do I have to quit my job?

**A:** No. Many clients will continue their current

employment until they have achieved the level of income they desire. Others choose to quit so as to focus all of their efforts toward earning a faster return with Coastal. Obviously, this is a personal decision.

### Q: How much money can I make and how fast can I start to make it?

**A:** You determine your level of income based on your efforts. Many clients begin earning one or more thousands their very first week. You can begin immediately upon faxing your completed pre-application to your sponsor, who will provide you with a Fast-Start Manual. For **those who are extremely serious**, ask about our **automated web based system!**

**Q: What if I don't have at least \$1,295 right now?**

**A:** As you know, any realistic opportunity will require some investment of time and money. You must also ask yourself, if I don't make a financial change now, where do I see myself in 2 months? Where will earning \$2,000 to \$3,000 a week, or more, **now** put me in 2 months?

**Q: Let's say I am not a salesperson. How can I become successful?**

**A:** There is really no selling involved; you're just giving information. You can earn a couple thousand dollars a week at least, from home, where people call you and you just give them information, similar to a tour guide.

**Q: I have never owned a business, how do I make it a success?**

**A:** Most of our clients were in a similar situation. You can do the same as they do, use the tools that are provided and direct people to these quality tools. Since the majority of the population spends many hours each week to work for their employer to profit, you can apply a portion of that same effort to your own business by following our proven system and receive greater rewards.

**Q: Is the training schedule made to fit around my schedule?**

**A:** Yes. Your sponsor will be available to assist you as much as possible to meet your schedule; however, the best times to work with new clients is Monday through Thursday and Saturday afternoons in the wintertime. Most of our Team only works part-time during these days.

**Q: How does the association offer assistance to me?**

**A:** We have every type of lead generation available. We have national camera-ready materials, national advertising, fax blasting, post cards, internet sites, e-mail letters, scripts, audio tapes, video tapes, quality brochures, lists of names of prospects who are expecting to be called who want to get involved in a home-based business. We even have an **exclusive automated web based system** that will literally put your business on autopilot! Additionally, we do have daily live conference calls and periodic optional seminars.

**Q: How is it that you can give all this value for \$1295 and still earn a thousand bucks?**

**A:** One reason is because Coastal has been marketing these for well over 10 years, which is longer than all the others, and now buys these packages by the millions. Also, it is in the best interest of the properties to make sure their facilities are filled to near capacity both for appearance sake and to cover their expenses.

**Q: Will I need to sit through a sales pitch to get a free cruise?**

**A:** No. All you do is submit a request for you're preferred dates and you will be notified when you are scheduled to totally enjoy your vacation or cruise.

**Q: How can I get started the FASTEST?**

**A:** Obviously, study all materials you've been provided by your Director, making a list of any Questions you might have. Get them answered so you'll sound like you know what you're talking about when you begin contacting others. Prepare a business plan with your Director implementing the tools and systems we already have in place! As soon as your Vacation Package arrives, you can probably sell a few by simply "showing and telling" an ordinary person, because what we offer is such an extreme bargain. With each package you sell at **\$1,295** you have **\$1,000.00 profit** (or \$3,000.00 - \$7,000.00)! And your clients, even if they take advantage of just ONE of the major vacations, will have more than their money's worth!

**Q: Outside of people I know, how can I find those wanting to build a business with us?**

**A:** Advertise! If you want to work locally, gather up sample copies of local shoppers, newspapers, magazines, etc. Examine their Biz Op sections, and decide where you're most likely to reach the men and women you want to attract. Even better, there are also dozens of publications that cater specifically to opportunity seekers nationally. And, for the *extremely serious*, we have our **automated web based system!** You Director will be happy to go over any additional cost you will incur with advertising. With a bargain such as we offer, plus the **gigantic \$1-9,705 per sale** earnings, any advertising will quickly provide a lucrative return!!

**Q: What support systems should I put in place?**

**A:** Get a **voice mailbox** so multiple incoming calls can be received at once, 24 hours a day. Ask your Director about vendors. Get a **website** that comes completely personalized! Plug into **our automated web based lead generation system!** We will show you how to completely eliminate all of these expenses! You will also want to order **3-way calling** from your phone company. You may choose to set up a **fax machine** on a dedicated line; however the majority of our work can be done very easily on a computer and through the Internet. Set up an office area where you can **get and stay organized** with your paperwork and follow-up files. Ask your Director.

**Q: Are their live opportunity/training calls or pre-recorded 24-hour presentations?**

**A:** Yes! Ask your Director for the schedule of live calls and training. Send all your guests to these calls. For your convenience, we have a series of 24-hour pre-recorded numbers that tell our exciting story.

## You can earn money as an associate primarily in three ways:

- 1) **Personal sales to consumers:** You purchase the Level I, Level II and Level III packages wholesale, market them retail, and keep the substantial difference, (\$1,000.00 each for Level I, \$3,000.00 each for Level II, \$7,000.00 each for Level III) as profit!
- 2) **Training Sales:** With your support, each new associate choosing to earn income with Coastal will make 2 training sales to qualify as a Director. You receive the profit (\$1,000.00 each for Level I, \$3,000.00 each for Level II, \$7,000.00 each for Level III) from those 2 training sales and gain two new associates who will need to be trained as well!
- 3) **Qualification Sales:** Your associates will advance to the Level II and Level III Director positions which require additional qualification sales. You receive the profit (\$3,000.00 each for Level II and \$7,000.00 each for Level III) from those qualification sales!

(Premiere Package Qualifies as Both a Level I & II Sale, Platinum Package as a Level I, II and III Sale)
