Overview of Level I Package

No Matter Where You Travel, You Will Feel Right at Home

Can't stand to leave the comfort of home behind? The kitchen... lounge chair... fireplace? Some of the largest developers of vacation properties in the world provide you with access to a vast network of professionally managed Resort & Condo Vacations. These resorts are located in some of the most beautiful and desirable vacation destinations plus they have all the features of home and then some! And while each has its own unique traits, the real beauty of all the Resort & Condo Vacations is the great value. With Coastal Vacations, you can feel right at home in a spacious fully-furnished condo that makes it easy to really stretch out and enjoy yourself. In most cases, you can stay at a Condo Vacation Resort each year for about the same fee as a typical timeshare maintenance charge. And with no outrageous up-front charges or obligation, each resort provides a broad spectrum of choice accommodations ranging from units that house a large extended family to those on a more intimate scale. Many include fireplaces, private whirlpool spas, washers and dryers. The amenities are equally attractive and reflect the personality and location of each resort. Among the activities available at the different resorts are horseback riding, golf, tennis, boating, fishing, and swimming in pools and oceans. Many resorts even schedule supervised activities for kids.

For a more romantic finale, stroll on the deck under the captivating moonlight while listening to the soothing sounds of the ocean's splashing waves.

Ø **Day 4** - Say goodbye to new friends at the dock, and depart the vessel with delightful memories of your Carnival voyage.

In Conclusion

Coastal Vacations is a membership that you can use for the rest of your life. Why spend tens of thousands of dollars elsewhere when you can book the same accommodations at wholesale, when and where you need them? Why pay \$300 to \$600 a year for maintenance and exchange fees on a timeshare when you can enjoy the same benefits for only \$89.95 a year (optional annual renewal) through Coastal Vacations?

We thank you for taking the time to research Coastal Vacations. There is no better way to travel than Wholesale. Please remember that prices and taxes are subject to change. We try our best to keep our information current. REMEMBER - you are only paying taxes & gratuities, port & destination charges, and processing fees with any of the complimentary vacations. You will know the exact prices and itinerary before you travel. Another wonderful reason to travel with Coastal..... NO hidden charges or unexpected costs.

It employs 10.6% of the world's workforce and is growing 23% faster than the world economy! Travel will create 144 MILLION new jobs by the year 2005. According to Opportunity Magazine in the January, 1998 issue the T.I.A. (Travel Industry Association of America) said travel sales hit an all time high and were estimated at over \$4.4 TRILLION dollars (1998)!

Trends such as this lead to financial success and define our lives. We either make money or spend money on trends depending on where we position ourselves. A good example of this is Bill Gates, who maintains the elite status of being the richest man in the world because he positioned himself in front of one of these hot trends: The Computer Revolution!

The result? Coastal Vacations.
