## Burn Week (Access Condos)

### *No Matter Where You Travel, You Will Feel Right at Home*

**C**an't stand to leave the comforts of home behind? The kitchen...the lounge chair...the fireplace? Some of the largest developers of vacation properties in the world provide you with access to a vast network of professionally managed Resort & Condo Vacations. These resorts are located in some of the most beautiful and desirable vacation destinations plus they have all the features of home and then some. While each resort property has its own unique character, the feature that they all share in common is great value. With Coastal Vacations, you can feel right at home in a spacious fully-furnished condo where you can really stretch out and enjoy yourself. With no long-term unit-purchase or mortgage obligation, you can in most cases stay at a condo vacation resort for about the same fee as or less than a typical timeshare maintenance charge. Various resorts provide a broad spectrum of choice accommodations ranging from large units that can house a family or party of 6-8 people to smaller, more intimate ones. Many units include fireplaces, whirlpool spas, washers and dryers. The available amenities reflect the personality and location of each resort. Most have access to swimming pools or beaches and many have access to both. Activities available at or near different resorts include horseback riding, golf, tennis, boating, fishing, snorkeling, scuba diving, casinos, spectator sport, fine art, folk art, shopping, entertainment and local sightseeing tours. Many resorts even schedule supervised activities for kids. Here are some examples:

This system is available to **Access Development members ONLY** and is **NOT** available to the **General Public**.

#### **DO THE MATH:**

If the unit is a 2-bedroom/Sleep 6 and the Price is **\$350**, your rate is only **\$8.33 per-person/per-night** (**\$350 divided by 6 people, divided by 7-nights!**)

When viewing Weeks the price listed in the "Price" column represents the full price for an entire 7-NIGHT-STAY (including full occupancy and taxes)!
