Vacation Order Form Instructions

As a member of Coastal Vacations, you have access to hundreds of Vacations & Cruises and may order as many as you wish, as often as you wish, for Business or Pleasure.

Select as many Vacations as you wish and use for give-a-way's to help build your Coastal Business.

To order your Vacations & Cruises, you simply pay the shipping and handling for each vacation or cruise on the vacation order form. When you receive your vacations call the customer service number on each vacation and book your vacation through the Licensed and Bonded Vacation agents. They will work with you to get your vacation confirmation dates. All vacations are based on availability, so book your vacation as far in advance as possible to receive many selections.

On each vacation you select you are required to pay surcharges such as Hotel/Motel/Resort Taxes, Port Fees (on Cruises), Departure Taxes (On Airfare if required) Deposits (on some vacations if required) etc. You may call the Customer Service Number on each vacation for the updated information on your vacation anytime before you travel. Vacations may change without notice.

Each vacation expires one year from the time you receive it. On the back of each vacation is the expiration date or an issue date (expiration is generally one year from the issue date). If your vacation expires, in some cases, you can call the customer service number to get an extension for a small charge or simply (as a member) order another vacation by paying Shipping & Handling.

When you book each of your vacations, you have options for upgrading. Vacation agents may try to sell you upgrades such as: staying extra days, adding more members to your party, maybe your airfare. They may upgrade to a suite, if you wish. You are not expected to attend a timeshare program on these Vacations and Cruises. Many resorts will offer you incentives such as free breakfast for you and your family, free tickets to Disney World, Six Flags, Sea World, etc... to attend a timeshare program during your stay, but the choice is yours. These vacations are not timeshare programs.

All of these Vacations start as a Mini Vacation 3 day, 2 night (or more) vacations for 2 or more adults, lodging accommodations are complimentary. You have many choices available to you. When you receive your vacation, other destination options may be available to you. If one resort is full, the customer service representatives may seek lodging accommodations at another resort.
