“Your big opportunity may be right where you are now”

Can You See Yourself Earning \$2,000.00 to \$5,000.00 Or More A Week, Every Week, for Life? Starting next week!

Dear New Friend and Fellow Entrepreneur,

Does it 'Sound too good to be true?' Skepticism is understandable, in fact, normal. However, I am going to ask something of you. Simply be open-minded and investigate! I am your Information Tour Guide! At no point will I pressure or convince you to work with us. If I had to do that I would not want you on our Team! Prove to yourself that Coastal Vacations is a very profitable and totally ethical business that frankly is just too good to pass up!

What Can This Business Do For You?

This business makes it possible for you to solve your financial problems and provide you with the time freedom to pursue worthwhile life goals! Here are a number of unique features that help you in ways where most home-based business plans fail:

1.

You are rewarded for your own efforts and performance (\$1,000.00 or \$3,000.00 per sale).

Once you do just two training sales, you won't share a dime of your profits ever with anyone. This isn't like multi-level marketing in which you will indefinitely share your profits with the person who sponsored you, as well as the person who sponsored your sponsor, and so on and so on. With Coastal everyone has equal opportunity for success.

2.

You earn money very quickly! Your very first month! Your first week! Your first day! Go ahead! Totally unlike MLM where you can work for months and sometimes years to get out of the red! In MLM, by the time you have recruited 50 people your profits may be \$2 - 300 per week, however, with Coastal when you have 50 Level I package sales you will have **\$50,000.00 to show for it! With 50 Level II sales - \$150,000.00! Even traditional** businesses require huge initial outlays and usually take a long time to build a customer base and bring in enough revenue to offset startup costs. This remarkable business provides immediate cash return!

3.

You are properly trained with an easily duplicated system right from the beginning. I will personally train you. Additionally you are supplied with training tools and support showing you step-by-step, how to do the business. There are also training conference calls provided four nights every week that you can tap into.

4.

You are provided access to the same automated turnkey system and tools we use so you won't have to sell! You merely point people to your personal 800-voicemail number, to the 24 hr. message phone numbers, and to your personal websites. Supply this Profile to them, and finally introduce them to the Live Conference Calls where a member of the 'Board of Directors' will answer their questions personally, yes exactly the same steps we've taken with you. Let the turnkey system do the selling" for you.

5.

You are able to use your Automated Marketing System to consistently supply you with fresh leads, and follow up on those leads for you. Talk to people who respond to our ads!
People who are seeking a home based business! People who have been interviewed and pre-qualified! Your business will be on AUTO PILOT! No Cold calling!"

Take Action To Change Your Life!

You obviously want to make a change in your life and you want to start making money right now, not next year! That is why we met. Regardless of your situation, I am here to help guide and train you. We need to talk again so that I can further your knowledge of this outstanding opportunity, and especially to make sure you understand the power of the compensation plan. So let me show you how you can start earning money ***right now!***

Understandably you may still have some concerns as to whether you can really succeed in this business. I've been there, too, so I understand that fear of the unknown is what keeps people from doing "entrepreneurial" things. However, let me reassure you, that with this business very little is left to chance. I promise you that you will be taking advantage of systems that are time-tested and proven. You also have access to training by incredible leaders in this field.

However, let's face it. To achieve success in anything, you must put forth some effort. First you need to invest some valuable time to investigate this opportunity. Do that! Take advantage of all the sources of information I am providing you. See for yourself that this business works! Find out for yourself that hundreds of ordinary people are indeed making exceptional income from it. You will not be pressured, pushed, or convinced. My goal is that you get all the information you need so that you can make an informed and educated decision.

Following this letter is a detailed description of our program, and our products.

You will find a detailed description of most of the contents of both of our packages, the Level I package and the Level II package. The Level I package offered by Coastal Vacations is valued at over \$15,000.00, yet is priced at approximately the cost of just (1) cruise for two. The product itself may or may not be something that you could enjoy entirely by yourself, but I guarantee you will enjoy the life of ease it could produce for you! Recreational facilities invariably have vacancies that could be filled if you and I just knew about them and could make the connections. This company can make that happen.

The Level I package sells for \$1295 and you earn a cool \$1,000.00 profit on each sale! The Level II package sells for \$3500 and you earn a cool \$3,000.00 profit on each sale! Just show the info and it pretty much sells itself, as we mentioned, people want this product!

You owe it to yourself to look at this opportunity with open eyes and with no preconceived misconceptions. It is a great business with serious potential, and is a lot of fun to work! If after investigating the opportunity you can't see its potential, than maybe this is not for you.

On the other hand if you do see the potential in this business; if you do see that this opportunity is real; if you do see this business changing your life, then you must take decisive action to make it happen! Take the next step! Let me help get you started on the way to a truly profitable new business!

I am looking forward to discussing this business in greater detail with you soon, and whatever you decide to do, I wish you ultimate success with all of your endeavors.

Yours truly,

PS - I encourage you to call the recorded messages listed under the "support systems".

We have live conference calls Mondays through Thursdays where you will be able to listen to one of our Board of Director's explain the business and answer questions, including yours if you wish. On the live call you will also receive a free vacation with 10 **destinations to choose from just for looking at our opportunity! CALL: 620-294-3000 Pin 1103#**

OUR MISSION:

TO MAKE DREAM VACATIONS AND FINANCIAL FREEDOM A REALITY!

Coastal Vacations is an association of entrepreneurs, professionals and home-based business owners dedicated to providing the highest quality vacation values and travel benefits on the market today, and making them available to their clients at rock-bottom prices. This has in turn created one of the hottest and most lucrative business opportunities in the World!

Founded Based On An International Trend

John Naisbitt, the world's leading authority on trends, defines in his book 'Global Paradox', one of today's most important trends – Travel – currently at \$4.9 TRILLION annually, the world's largest industry. It employs 10.6% of the world's workforce and is growing 23% faster than the world economy! Travel will create 144 MILLION new jobs by the year 2005. According to Opportunity Magazine in the January, 1998 issue the T.I.A. (Travel Industry Association of America) said travel sales hit an all time high and were estimated at over \$4.4 TRILLION dollars (1998)!

Vacation and Travel is now the third largest retail industry in America!

Trends such as this lead to financial success and define our lives. We either make money or spend money on trends depending on where we position ourselves. A good example of this is Bill Gates, who maintains the elite status of being the richest man in the world because he positioned himself in front of one of these hot trends: The Computer Revolution!

To take maximum advantage of this amazing trend, over eight years ago a Board of Directors committed themselves to researching and building business relationships with travel companies that possess a proven track record of customer satisfaction and industry credibility. The result? Coastal Vacations.

Stability And Service

Coastal Vacations continues to offer Membership Benefits and Services that are unparalleled in the industry today. Offering an incredible Vacation Package that has unbeatable value to the consumer, as well as tremendous financial rewards for the marketing team.

Working with thousands of resorts and leaders in the field of travel and leisure, Coastal Vacations pursues this commitment by consistently seeking out the best vacation and travel values in the industry and makes them available to clients at rock bottom prices. The Companies chosen to fulfill the benefits and services in our packages are of the highest caliber. Most are publicly traded companies, licensed and bonded, with a track record of 12 years or more. Our Independent shipping facility has 25 years of proven experience in the industry.

Room For You!

Regardless of your previous work experience, you have an excellent opportunity to be extremely successful with Coastal Vacations. Our commissions of \$1,000.00 and \$3,000.00 can quickly replace an existing income or add to it nicely! Our marketing program is truly "turnkey," in that much of the sales and training needed to build a large income is provided by the SYSTEM itself.

Listen To What Coastal Vacations Clients Have To Say:

"I've been working with Coastal Vacations for only 2 1/2 months and I've already earned over \$60,000! It has been an extremely easy product to sell because of its incredible value ."- **Al, Florida**

"I've just started with Coastal Vacations 10 days ago and I'm already a Director! I also have 3 more sales on the way! Thanks Coastal!" - **Gene, Texas**

"In my first week with Coastal Vacations I made more money than I had working a whole month at my previous job!" - **Robert, California**

"I enjoy doing seminars because you make multiple sales and I do breakfast and luncheon presentations. I did a ladies auxiliary and this was a breakfast presentation. There were 23 ladies there and after breakfast 9 ladies signed up right away. You know when you say 9 sales, that doesn't sound like a whole lot of anything, but when you say \$9,000 after breakfast, that's really something!" - **Marty, California**

"I'm making \$8,000 a month, part-time! If you're looking for a great opportunity check out Coastal Vacations!" - **David, Pennsylvania**

"I am working from my home making 3 sales a week! I simply ask people if I can show you how to make three thousand a week, will you take 15 minutes of your time? Everyone says yes! I just give people the fax on demand and have them listen to a conference call, that's it!" - **Bob, New York**

"I am twenty-one years old and I got into the program a little over a year ago when I was twenty. I've had about a sale a week, which amounts to about a thousand dollars a week. I am a full-time college student so I don't have a lot of time to punch a clock and things like that, so I really appreciate the time freedom that Coastal has given me!" - **Greg, California**

HOW TO GET STARTED LEVEL I

Purchase the level I Coastal Vacations package for \$1295 from your director

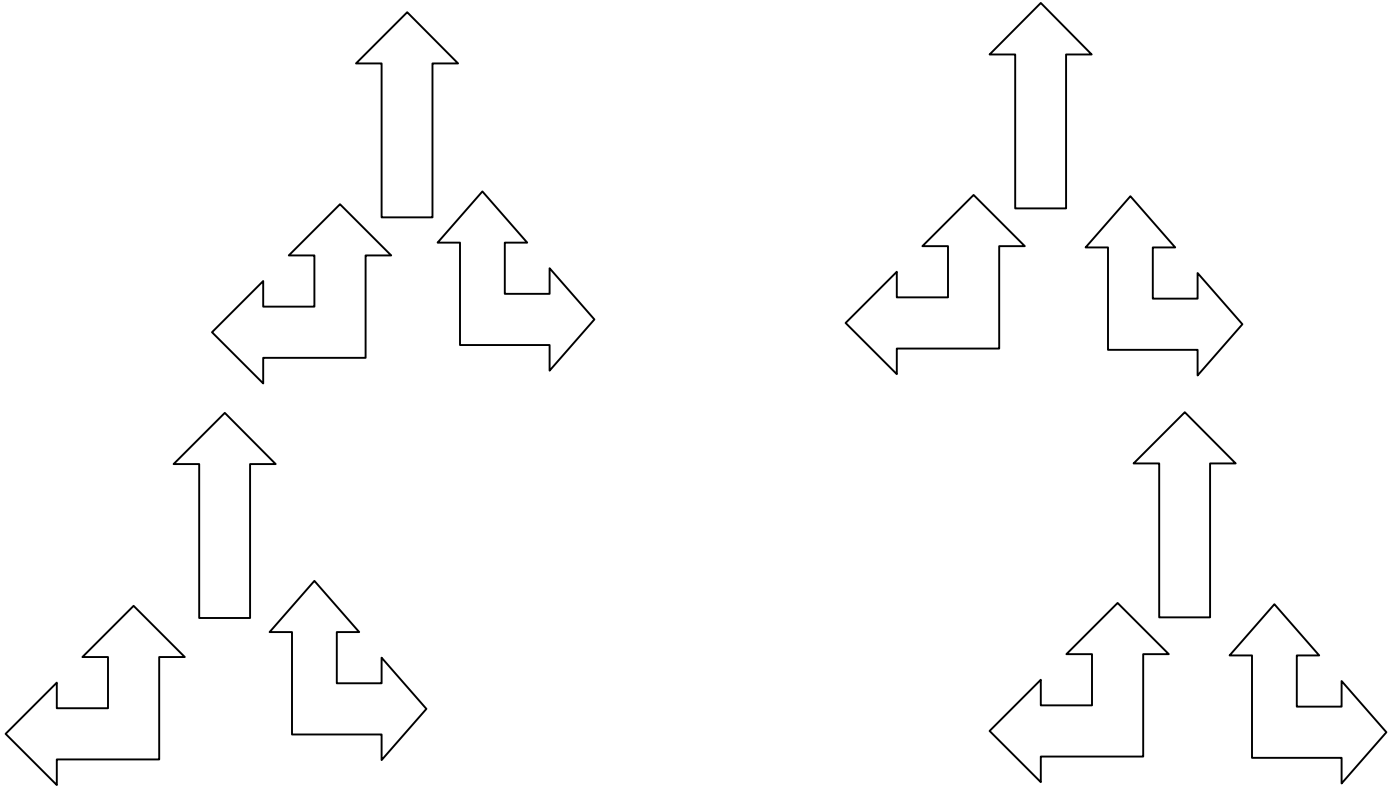

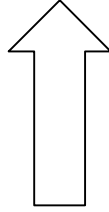

Provide your director with 2

Level I training sales. You are now qualified and your director will now provide you with a Level I director release. Keep your release in a safe place and make plenty of copies. Your Level I Director release will enable you to purchase the level I membership packages at the wholesale price of \$295. The packages can be drop shipped by the shipping center to any address worldwide. You can also purchase the packages in bulk for even more savings. After the first 2 training sales, your director will not earn any more commissions off you unless you decide to upgrade to Level II. The same marketing model applies to qualify as a Level II Director.

The Level I package costs \$1,295 and you earn \$1,000 commission on each sale! Includes: 20 membership cards, over 20 Bonus Vacations with a value of \$15,000. As soon as you receive your vacation package you are able to start saving on a life time of vacations!

As a qualified director you are now qualified for life! You will now earn \$1,000 or up to \$3,000 for every sale that you make. This is yours to keep. There is no splitting with up and down lines as is common with MLM, it's all yours to keep! Now you will train each of your new sales to become directors. As you do, you will earn \$1,000 or \$3,000 from each of the first 2 sales that you help your new associates make!

YOU

THE FIRST 2 SALES ARE PASSED UP TO THE QUALIFIED DIRECTOR, THE SALES AND THE NEW MEMBERS THEMSELVES!

1 Sale becomes 2, becomes 4 becomes 8 etc

It is in your interest to help your new member succeed. For training your new director you will be rewarded with \$1,000 commissions and an ever growing team!

Please note: This is the identical model for the level II and Premier levels.

MARKETING YOUR WAY TO FINANCIAL FREEDOM!

You can earn money as an associate primarily in 3 ways:

- 1) **Personal sales to consumers:** You purchase the Level I and or Level II packages wholesale, market them retail and keep the substantial difference (\$1,000 each for Level I and \$3,000 for Level II) as profit!
- 2) **Training sales:** With your support, each new associate choosing to earn income with Coastal will make 2 training sales to qualify as a director. You receive the profit (\$1,000 each for level I and \$3,000 each for Level II) from those 2 training sales and gain 2 new associates who will need to be trained as well!
- 3) **Qualification sales:** Your associates will advance to the Level I and Level II Director positions which require additional qualification sales. You receive the profit (\$3,000 for Level II) from those qualification sales!

A PREMIERE PACKAGE QUALIFIES FOR BOTH LEVEL I & II

Unfortunately in today's society, most only pretend to want to make changes in their life, spending most of their time complaining about life. Only a few actually do something to change their life, to "realize their dreams"!!!

We can honestly say we are realizing our dreams! Each day we talk to many whose dreams are now a reality rather than just a dream. What about you? We enroll several new clients every single week, even everyday! We will commit ourselves to teaching and helping you to do the same with our simple, proven system, but only if you are serious and ready to commit to us.

We will not try to persuade or convince you. This opportunity is rare in the world today! You can become one of the top 2% earners in the country today in a very short period of time with this opportunity! It is a well known fact that the dream for most is to have more money, time for family and to pursue hobbies and to travel. With Coastal you can have it all. The tax implication alone of having a home based business should be reason enough for you to want to join Coastal!

We have helped many attain their dreams and we can help you too! Please look over my website again, go to the "support systems" web page and listen to the pre-recorded training calls.

After that, your next step is to call me. I can introduce you to my director and other members in our team. This is a real opportunity, I am real and I am really looking forward to having you on my team.

Yours truly,
